Employees

Simmons Civil is a well-established, Gladstone-based civil construction company. Many of the largest projects and companies in the region count on us for our professional process and consistent outcomes. As a family-run business (Gladstone born and bred), we know the local environment and people like no one else.

QBCC: 15192447
ABN: 80 625 408 479

Our Services

Civil works including earthworks, roadworks, drainage, slab preparation.

Construction including carpentry, office fitouts, Armco installation and linemarking.

Concreting including formwork, large pours, high risk areas, concrete remediation, cutting, drilling and shotcrete.

Plumbing including office services, fire mains, RPZ calibration, drainage pits, sewer and water mains, detention basins and gross pollutant traps.

Hydroexcavation and industrial protective coatings.

Industrial maintenance including safety upgrades, plant maintenance and structural life extension projects.

Our Approach

Scope & Methodology

We can assist with scoping and developing methodologies to identify the best way to complete your project.

Upfront Pricing

We provide upfront fixed price or schedule of rates budget estimates considering the entire project with realistic timeframes.

Well-Run Projects

We provide constant on-site Supervision to ensure safety, budget and plant requirements are met.

End-to-End Solutions

We deliver end-to-end solutions and have the ability to adapt quickly to changing situations on-site.

Case Study

Ammonium Nitrate Plant Hardstand at Orica Yarwun

Orica Yarwun required the construction of a large concrete slab to seal up the existing roadbase material that was previously used to store chemical containers. This included two acres of concrete and covered the concrete construction and associated plumbing and earthworks.

\$3 million value

2115 m3 concrete

7767 hours on the ground

Outcome

Simmons Civil was engaged on the project due to our proven capabilities, ongoing relationship, and availability. The project was successful and completed on time.
